

sound like teen spirit!

Director/manager

salary: circa £30k Location: witney, oxon

Can you lead & develop this exciting youth project that is challenging, non-judgemental, supportive, educational, social and fun?

Base 33 works with all young people, but has had particular success with socially excluded and hard to reach teenagers.

Activities include detached youth work, evening drop-in and a hugely successful offsite alternative educational supply which is used by local secondary schools for excluded children. Base 33 also offers support, advice and help with housing needs, relationships, substance misuse and sexual health along with other events that challenge and involve the young people.

Base 33 was set up 10 years ago. Located in David Cameron's constituency, he has recognised the importance of Base 33 and organisations like it. In 2008 Base 33 was awarded the prestigious Queen's Award for Voluntary Service.

Are you passionate about young people, experienced in youth work and able to lead with vision? We seek a strong manager who can develop Base 33 into new and different areas and increase its income.
