

OCVYS

Oxfordshire Children and Voluntary Youth Services

Training Bursary Fund

Does you or your organisation have training needs you simply can't cover due to cost? OCVYS in partnership with the CWDC are running a bursary fund, to enable the children's and young people's workforce to develop their skills.

The fund will cover cost of the course, cost of transport, supply cover and childcare. Each payment will be up to £150. If the course you or your organisation wants to do is more than £150, please still apply as each application will be considered on it's own merits.

WHAT ARE YOU WAITING FOR?

Apply today as the bursary is only available until mid May, all applications **must** be received by then. Please see application form for terms and conditions and how to apply.

The logo for CWDC (Children's Workforce Development Council) features the letters 'cw' in a light purple color, followed by 'dc' in black. A thick, curved purple line arches over the 'w' and 'd', connecting them.
