Hey everyone,

VERTIGO is back! After the overwhelming success of **Vertigo 1** in October, the second exciting VERTIGO event will take place on **SATURDAY 4th FEBRUARY 2006!** If it's not already in your diary, please put it there **NOW!**

As before, it all kicks off at 7pm at the **Kings Centre** (Oxford). I hope you're all excited about coming with your friends/youth groups!

Here's what we've got in store for you:

- A challenging talk from special guest speaker **STEVE HOLLOWAY** (East2West).
- Worship from **MARTYN LAYZELL** and band (Survivor Records)
- Special Guests, UK rockers **QUENCH**, will be playing a couple of their songs as a taster for their upcoming gig at Oxford's prestigious Zodiac Club in March.
- The chance to win a top of the range Apple iPod!
- All the usual VERTIGO attractions - **café, music, inflatable sumo wrestling, videos, games etc, etc!**

The VERTIGO team are really excited about the way it's shaping up - we'll be looking at the book of Daniel and the way this story can inspire our young people to live for Jesus in their tough school environments. Due to popular demand, we've also fine tuned the programme, so the café will run *after* the main session rather than before, so you and your friends can stay afterwards and chill out, chat, eat, drink and meet new people, or slip away if you've got a long drive home!

If you need any more information or a stack of colour flyers to help you advertise it at your church, school, youth group etc, please email info@vertigo-ox.com

So here are the main details again:

- **When and Where?** Saturday 4th February 2005 @ The Kings Centre, Oxford . <http://www.kingscentre.co.uk/findus/> - click here for directions, parking, train and bus info.
- **What time and how much?!** 7:00pm – 9:30pm. Vertigo is FREE ADMISSION. However, please remind your young people to bring money for the café and also if they want to give to an offering which will be taken on the night to cover the costs of the event.
- **Who can come?** 13-18 year olds + youth leaders.
- **What's happening?** Our young people can expect relevant biblical teaching to encourage and equip them for life at school on a Monday morning, passionate, high octane worship, fellowship with hundreds of other Christians their own age and a whole lot of fun!

See you there...and remember: "DON'T LOOK DOWN!"

P.S. You're on this list if you've shown interest in Vertigo in the past. If you'd rather not receive these emails, just click on the link below to unsubscribe!

P.P.S. Prayer support – if you or others from your church would like to join a group of people who uphold Vertigo in prayer, please email chris@wordsworth.plus.com for details.

P.P.P.S (!) For those new to VERTIGO - why call it Vertigo and what's it all about? It's not easy being a Christian young person at school in today's secular culture. It's easy to feel alone and often the easiest thing to do is to keep your head down and go with the flow. VERTIGO aims to encourage and equip our young people to

look up to Jesus and the life-transforming truth of the Cross and then to **look around** and see the “great cloud of witnesses” around them: other Christians who can support them and stand with them, and non-Christians who desperately need to hear about the difference knowing Jesus makes. **VERTIGO: “Don’t look down!”**
