

'freedom to flourish'

200 years since the abolition of the transatlantic slave trade
How do we continue to express freedom
in Christ today?

Take time out to think about how today's
youth worker can help to continue to make
an impact on the lives of young people

**the matrix 2007 will examine
through four overarching
themes the role of the youth
worker:**

.....as theologian

.....as leader

.....as missionary

.....as prophet

This will enable you to develop as a youth
worker, drawing on theological and sociological
perspectives. There will be space for personal
reflection, dialogue with other practitioners,
relaxation, laughter and focussing on God.
