

The walk around the block is a great late night stroll, it only takes about 35 minutes

And you'll need to be quiet past a couple of houses but it's a fun slightly hilly late night wind down.

Woolhope is the red splodge and you go DOWN the road opposite the side of Woolhope and the 'Bakehouse' (not up the hill towards Putley).

After some Tennis courts turn right and continue down

At the bottom of the hill turn right

Continue round to the T junction and turn right. This will bring you back onto the five way Junction and Woolhope is diagonally opposite.
