

'The programme has completely changed my life. It's made me think about what I do, challenged the way I look at the world and the impact I have on those around me. I've learnt so much in such a short time and I want to learn more!'
Bobbie, 2012 Intern

Finding the Funding!

We appreciate that £1,800 can feel like a lot of money to raise, but you don't have to do it on your own...

- Ask your church. They will be getting your time!
- Ask your friends and family: if 6 people can offer £30 per month, you've done it!
- Get a part-time job
- Pray hard: God moves in mysterious ways
Remember... this is an investment in you and the kingdom.
It may seem hard but it will be worth it.
