Youth Leader

All Saints Marlow

(part-time: 20 hours)

All Saints Marlow is entering a new phase of life and seeing encouraging signs of growth. We are a group of ordinary people. But we sense that our extraordinary God is leading us on a remarkable journey and we are inviting you to consider joining us on it.

We are looking for someone with a vision for reaching and inspiring young people with the life that Jesus brings. A pioneering team player who likes taking risks and exploring new creative avenues. A vibrant and appealing disciple who has an intuitive sense for the Holy Spirit's leading and the courage to follow His lead. We are looking for someone who is more concerned with nurturing spiritual life wherever it is found than with staying within their comfort zone.

Are you:

- An appealing and vibrant disciple of Jesus Christ?
- A good team player and passionate about seeing young people grow in faith?
- Gifted and experienced at inspiring teenagers and helping to make them into disciples of Jesus?
- Able to lead and inspire volunteer teams?
- Able to build relationships with a wide group of people?

If this describes you, please download the role description and application form from our website or contact Harriet at harriet.miles@4u-team.org.
